Here, we have the sun, the beaches, we have the water, and now, we have the rum.

Michigan Winter Wheat Vodka 80 PROOF

Unfiltered and honest, our farm-distilled Michigan Winter Wheat Vodka is as clear, fresh and authentic as the glass filled lakes that inspired it. Pure Michigan water, from our deep-water source beside the Betsie River, and locally grown Winter Wheat, courtesy of the Sends' Farm, couple to create our unique, flavorful take on this classic spirit.

Bourbon Whiskey Finished in Maple Syrup Barrels 86 PROOF

As the leaves began to fall, and while waiting for our own Iron Fish distilled whiskey, we came upon this spirit - a blend of corn, rye and malted barley in fired American oak barrels. We fell for it and gave it a trace of maple by finishing the spirit in old, withered whiskey barrels steeped in our neighbors, the Griner family's, maple syrup. Thoughtful and distinct, settle in and enjoy our Bourbon - the beauty is in the contrast.
